

2025 Nursing Science, Nurses Pledge of Service

Nurses Pledge of Service

I solemnly pledge myself to the service of humanity and will endeavour to practise my profession with conscience and with dignity.

I will maintain by all the means in my power the honour and noble tradition of my profession.

The total health of my patient will be my first consideration.

I will hold in confidence all personal matters coming to my knowledge.

I will not permit considerations of nationality race or social standing to intervene between my duty and my patient.

I will maintain the utmost respect for human life make these promises solemnly, freely and upon my honour.

Lastly, there might be moments when you're going to struggle and days when you wonder what it all for. When you question your own abilities, but you will rise. You will rise because your strength as a nurse is not determined by one grade, one shift or one job, it's an ongoing journey of learning, honour, humility, and a chance to make even the smallest difference in the lives of your patients.
